## 2020

*In spite of the cancellation of the Hong Kong International a Cappella Contest and the String Orchestra Contest of the Hong Kong Youth Music Interflows due to the social movement in November 2019, as well as all the live performing classes in the 72nd Hong Kong Schools Music Festival in March 2020 due to the COVID-19, our College music team still took the chance to maintain the morale and proficiency in music performance by entering the Symphony Orchestra and Chinese Orchestra Contests of the 2019 Hong Kong Youth Music Interflows and the Hong Kong Inter-school Choral Competition 2020. By submitting the video of a multimedia performance which included live music, dancing and video projection, our Creative Music Team was awarded two prizes in the GalaMusica - School Creative Works 2020, despite the cancellation of the final performance at Sha Tin Town Hall due to the pandemic.*

*The results in the 2019-2020 music events were, nevertheless praiseworthy.*
